Week 1, **Music Madness** will be packed full of instrument making activities and 'Drumroots' are back by popular demand! Week 2, **Circus is in Town** where children will be able to take part in a circus skills workshop or take a trip to the Chill factory to scale the climbing wall. Week 3, **Minibeast Mayhem** will be a week full of creepy crawly activities, including bug hunting and there will be a trip to Delamere Forest and an animal handling workshop held by 'Meet the Beasts'. Week 4, **Rumble in the Jungle** involves a trip to Chester Zoo, an animal yoga workshop and a bush tucker trial zone. Week 5, **Eco Warrior** - This week we will be recycling and upcycling anything and everything. We will also be going on a trip to the local recycling centre to see the process that our household waste goes through. Week 6, **World of Craft** will be a week crammed full of fabulous arts and crafts. We will be visited by 'Professor Illustrator' who will teach the children how to draw and we will be taking a trip to Bean and Brush café to decorate pottery. Last but not least, **Planes, Trains and Automobiles**. The children will have the opportunity to explore transport from around the World and a trip to the East Lancashire Railway where the children will complete the Rail Trail and enjoy a ride on a heritage steam train.

In addition each week we have a Bouncy Castle and sports workshops with qualified coaches. For the Year 3+ children who are too cool for school, there is a separate Chill Out Zone! And don't forget the Xbox, Wii and iPads! All supervised by qualified, trained and experienced Kids Collective Playworkers.

As well as special daily events and a broad variety of structured adult-led activities for your child to enjoy, they also have supervised free access to:
